CORPORATE BROCHURE

Working with you to create a safer, more sustainable and creative world.

SIGMA EARTH
WHO WE ARE

Sigma Earth offers sustainable solutions through consulting and learning services. For more than 5 years, we’ve been a dedicated partner to organizations, individual learners, and professional teams around the world, helping them transform their needs to unlock the true value for a more inclusive, sustainable future.

As a trusted partner, we draw together teams of engineers, environmental specialists, economists, and scientists to find the most innovative and appropriate solutions.

Our clientele list includes multinational and regional corporations, public listed companies, ministries, statutory boards, government, and Public Sector organizations and ministries, NGOs as well as SMEs/MSMEs.

VISION

To be an effective one-stop solutions and a pillar of success for any organization

CORE VALUES

We build credibility by providing customers with utmost care, maintaining the highest standards, delivering cost-effective, and tailored services. Our foundation rests on trust, commitment, and effective, timely execution

MISSION

Our goal is to be a leading global professional service provider, creating value for both our clients and shareholders.
